BC22 – Backlit Clock

Description:

The BC22 classic analogue alarm clock has an easy to read dial layout and features the iconic yellow second hand that is synonymous with Braun's award winning design history. The clean simplistic dial and contrasting hands (with luminous tips) offers great legibility, and the continuous backlight function illuminates the dial when in a low-light environment to ensure the time can be read at night. The quartz tick movement is quiet and precise.

Features:

Easy to read dial layout
Crescendo beep alarm
Snooze/light function
Continuous backlight
Quiet precision quartz movement
Luminous tipped hands
